Universal Angels Network granted 501(c)(3) Nonprofit Status

Austin, TX – Universal Angels Network (UAN) is proud to announce it is now officially a public charity with tax-exempt status under Section 501(c)(3) of the United States Internal Revenue Code. Contributions donated to UAN are fully tax-deductible, and UAN is now eligible to apply for government and foundation grants which will broaden its access to resources that strengthen its ability to provide humanitarian relief and assistance to those in need around the world.

"Obtaining 501(c)(3) status is a major milestone for UAN" remarked President and Founder Ann Huynh. "This designation will allow us to expand fundraising activities for our projects, here and abroad, that will help alleviate suffering for so many who suffer the effects of extreme poverty and other hardships. We are grateful for this opportunity to expand our ability to serve others."

UAN's mission is to provide humanitarian relief and assistance to those in need around the world. We seek to educate and inspire others to nurture virtue, kindness, compassion and joy in selfless giving. Charity is the forefront of our mission. We provide food, clothing, direct financial assistance, and more to those in need around the world. Holistic alternative healthcare is provided to those experiencing financial hardship. Education is key. In addition to helping build and supply reading materials for schools and libraries, we develop and support educational programs that teach virtue, kindness, compassion and joy in selfless giving.
