Thank You Letter!

To:

- Universal Angels Network
- Mrs. Tue Anh

During these cold winter days, teachers and students of Van Xuoi Commune Junior High School are extremely joyful when receiving generous gifts full of love from Mrs. Tue Anh and others from the Universal Angels Network.

This is the 3rd time students at the Van Xuoi Commune Junior High School received these meaningful and practical gifts. This time, all 82 students have each received a pair of tennis shoes.

Additionally, the school has received a 48-inch TCL LCD TV. This spiritual gift has brought greater excitement, motivation and ambition in discovery of learning to students.

On behalf of the school administrators, teachers, and students, we are deeply thankful to Mrs. Tue Anh and members of the Universal Angels Network. We sincerely wish you all a healthy and happy season.

We hope to receive continued support from the Universal Angels Network and Mrs. Tue Anh.

Respectfully yours,

Le Van Giang
