Dear Mrs. Huynh and all of the benevolent supporters of The Universal Angels Network,

My name is Sister Maria, Lan Thi Tran, and I am the director of Vincente-The House of Hope and the Lovers of The Holy Cross of Huong Phuong Convent. On behalf of our Congregation, I would like to send our deepest gratitude to Mrs. Ann Huynh and all of the kind-hearted supporters of the Universal Angels Network (UAN) for their continuing support of 20 orphans. We received \$2,000 USD in January 2018 from The Universal Angels Network. This funding will go directly to the orphans' education tuition, books and school supplies. The students range from elementary school to high school levels.

Again, we are very grateful for the generous support from your foundation over the past 2 years. Your compassion serves as an inspiration to us all, especially the orphans in the most impoverished areas of Vietnam. Our students will do their best to become good people in our society.

We would like to invite you and UAN members to visit our orphanage and our children. It is our privilege to welcome you all.

Sincerely Yours,

Sister Maria, Tran Thi Lan
