To:

- Teachers, Parents and Students of Vietnamese Program at Linh Son
- Gia Đình Phật Tử (GDPT) Linh Son Temple
- Sakya Care Foundation
- Universal Angel Network (UAN)

Universal Angel Network (UAN) in partnership with the Vietnamese Program and the Linh Son Buddhist Temple Program would like to thank all the teachers, parents, volunteers, and especially students for participating in the Angel Bank Celebration on February 24, 2019.

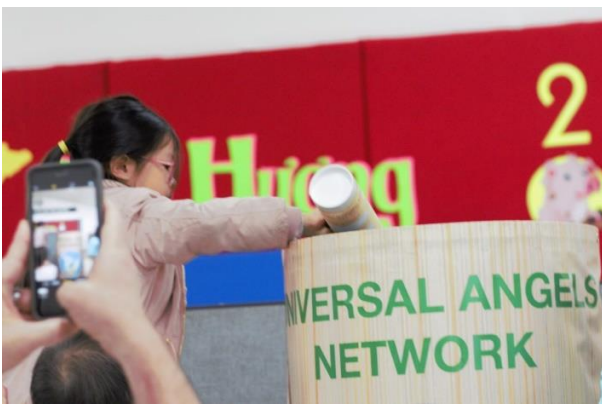

At this celebration, the students had the opportunity to contribute coins which they personally collected from the beginning of the school year into UAN's Giant Angel Bank, and hear Dr. Ky Nguyen's talk about the various medical care programs that the Sakya Care Foundation, represented by Dr. Ky Nguyen, has been actively implementing. Together, the students have collected a total of \$1,000. Attached are several pictures taken at the celebration and when UAN President and Founder, Ann Huynh presented a check of \$1,000 on the students' behalf to Dr. Ky Nguyen and the Sakya Care Foundation President, Dr. Jowan Do, to assist the organization in their upcoming medical programs for the underserved in the U.S and in other countries.

As the Vietnamese Program for the 2018-2019 school year will end on May 5th, UAN would like to provide the students one more opportunity to contribute the coins that they have collected until that time. UAN's Angel Bank Box will be placed in the lobby of the school from April 21st through May 5th for those who wish to contribute.

Once again, UAN, the Vietnamese Program, and Linh Son Buddhist Temple Program would like to thank all the teachers, parents, volunteers, and students for helping to make the 2019 Angels-In-Training program a success! As always, your encouragement and support play a significant part in the children's frequent practice of nurturing their kind hearts and compassion.

Sincerely yours,

Ha Phan, Ph.D
